## Health Policy

It is the goal of FUMC preschool to keep each child as healthy as possible. If a child is sick, the parents will be notified to come and pick up their child and to keep their child out of school during any illness.

A child is considered to be sick if any of the following conditions occur:

- Fever of 100 degree or higher
- Vomiting or diarrhea more than two times.
- Cold / Flu symptoms
- Contagious disease (pink eye, scabies, scarlet fever, etc.)

Please note that if medication is prescribed, you must fill out a #5 Medication form. **Any over the counter medication will not be given unless container is brought in seal and unopened.**

I have read and understand the Health Policy. I will not knowingly bring my child to school if he/she is contagious.

## Physical and Sexual Abuse Policy

As teachers and administrative professionals, it is our responsibility, by law, to report any suspicion of physical or sexual abuse to the Department of Children and Families (DCF)

I have read and understand the policy of FUMC preschool on physical and sexual abuse.

Parent/Guardian Signature: \_\_\_\_\_ Date: \_\_\_\_\_

## Field Trip Policy

Field trips will occasionally be scheduled for our 3's – 4's classroom. In order for a child to participate, the school permission slip must be signed by a parent/guardian before a child will be permitted to leave the school. If you choose not to send your child on a field trip, you will need to provide alternative child care until the class returns. The teachers need to accompany the class; therefore, there will not be a teacher available to stay with your child.

I have read and understand the field trip policy.

Parent/Guardian Signature: \_\_\_\_\_ Date: \_\_\_\_\_

## Tuition Agreement

FUMC preschool will require all parents/guardians to obligate themselves to their entire tuition on a Weekly, Bi-Weekly, or Monthly basis. Should you decide to keep your child home for any reason, you will be required to pay your tuition in full for the period of absence as part of your contractual arrangement with us. In order to accommodate our parents, you may take a one (1) week vacation credit during the school year and tuition will be waived for that 1 week only.

- Weekly payments are due on **Monday** of each week. \_\_\_\_\_
- Bi-Weekly payments are due every other **Monday** \_\_\_\_\_
- Monthly payments are due on the first 1<sup>st</sup> of each month and are considered late after the 5<sup>th</sup> of the month. \_\_\_\_\_
- Late payments will be charged a **\$20.00 late fee.** \_\_\_\_\_
- Returned checks will be charged a **\$20.00 return check fee.** \_\_\_\_\_
- Late pick-up will be charged **\$1.00 per minute after 5:30 p.m.**
- **ELC School Readiness** voucher holders will be charged the difference in tuition rate. \_\_\_\_\_

**Please note that if tuition is past-due, your child will not be permitted to FUMC preschool until tuition payment is current.**

**ALL Fees are nonrefundable**

## Parent's Role

### A parent's role in quality child care is vital:

- Inquire about the qualifications and experience of child care staff, as well as staff turnover.
- Know the facility's policies and procedures.
- Communicate directly with caregivers.
- Visit and observe the facility.
- Participate in special activities, meetings, and conferences.
- Talk to your child about their daily experiences in child care.
- Arrange alternate care for your child when they are sick.
- Familiarize yourself with the child care standards used to license the child care facility.

## Quality Child Care

Quality child care offers healthy, social, and educational experiences under qualified supervision in a safe, nurturing, and stimulating environment. Children in these settings participate in daily, age-appropriate activities that help develop essential skills, build independence and instill self-respect. When evaluating the quality of a child care setting, you should consider the facility's quality indicators related to activities, caregivers, and environment.

### Quality Activities

- Activities are children initiated and teacher facilitated.
- Activities include social exchanges with all children.

### Quality Caregivers

- Caregivers are friendly and eager to care for children.
- Caregivers accept family cultural and ethnic differences.

### Quality Environments

- Environments are clean, safe, inviting, comfortable, and child-friendly.
- Environments provide easy access to age-appropriate toys.

# KNOW YOUR CHILD CARE FACILITY

For additional information, please visit [www.myfamilies.com/childcare](http://www.myfamilies.com/childcare) or contact your local licensing office.

This brochure was created by the Department of Children and Families in consultation with the Department of Health.

# Know Your Child Care Facility - General Requirements

Every licensed child care facility must meet the minimum state child care licensing standards pursuant to s. 402.305, F.S., and ch. 65C-22, F.A.C., which include, but are not limited to, the following:

- Valid license posted for parents to see.
- All staff appropriately screened.
- Maintain appropriate transportation practices (if transportation is provided).
- Provide parents with written disciplinary and expulsion practices used by the facility.
- Provide access to the facility during normal hours of operation.
- Maintain minimum staff-to-child ratios.

## Health Related Requirements

**Emergency procedures that include:**

- Posting Florida Abuse Hotline number along with other emergency numbers.
- Staff trained in first aid and pediatric cardiopulmonary resuscitation (CPR) on the premises at all times.
- Fully stocked first aid kit.
- A working fire extinguisher and documented monthly fire drills with children and staff.
- Medication and hazardous materials are inaccessible and out of children's reach.

## Ratios

<b>Age of Child</b>	<b>Child: Teacher Ratio</b>
Infant	4:1
1 year old	6:1
2 year old	11:1
3 year old	15:1
4 year old	20:1
5 year old and up	25:1

## Training Requirements

- 40-hour introductory child care training.
- 10-hour in-service training annually.
- 0.5 continuing education unit of approved training or 5 clock hours of training in early literacy and language development.
- Director Credential for all facility directors.

## Food and Nutrition

Post a meal and snack menu that provides daily nutritional needs of the children (if meals are provided).

## Record Keeping

**Maintain accurate records that include:**

- Children's health exam/immunization record.
- Medication records.
- Enrollment information.
- Personnel records.
- Daily attendance.
- Accidents and incidents.
- Parental permission for field trips and administration of medications.

## Physical Environment

- Maintain sufficient usable indoor floor space for playing, working, and napping.
- Provide space that is clean and free of litter and other hazards.
- Provide sufficient outdoor play area.
- Maintain sufficient lighting and inside temperatures.
- Equipped with age and developmentally appropriate toys.
- Provide appropriate bathroom facilities and other furnishings.
- Provide isolation area for children who become ill.
- Practice proper hand washing, toileting, and diapering activities.

To report suspected or actual cases of child abuse or neglect, call the Florida Abuse Hotline  
**1.800.962.2873**

## What is the influenza (flu) virus?

Influenza ("the flu") is caused by a virus which infects the nose, throat, and lungs. According to the US Center for Disease Control and Prevention (CDC), the flu is more dangerous than the common cold for children. Unlike the common cold, the flu can cause severe illness and life threatening complications in many people. Children under 5 who have the flu commonly need medical care. Severe flu complications are most common in children younger than 2 years old. Flu season can begin as early as October and last as late as May.

## How can I tell if my child has a cold, or the flu?

Most people with the flu feel tired and have fever, headache, dry cough, sore throat, runny or stuffy nose, and sore muscles. Some people, especially children, may also have stomach problems and diarrhea. Because the flu and colds have similar symptoms, it can be difficult to tell the difference between them based on symptoms alone. In general, the flu is worse than the common cold, and symptoms such as fever, body aches, extreme tiredness, and dry cough are more common and intense. People with colds are more likely to have a runny or stuffy nose. Colds generally do not result in serious health problems, such as pneumonia, bacterial infections, or hospitalizations.

## What should I do if my child gets sick?

Consult your doctor and make sure your child gets plenty of rest and drinks a lot of fluids. Never give aspirin or medicine that has aspirin in it to children or teenagers who may have the flu.

### CALL OR TAKE YOUR CHILD TO A DOCTOR RIGHT AWAY IF YOUR CHILD:

- Has a high fever or fever that lasts a long time
- Has trouble breathing or breathes fast
- Has skin that looks blue
- Is not drinking enough
- Seems confused, will not wake up, does not want to be held, or has seizures (uncontrolled shaking)
- Gets better but then worse again
- Has other conditions (like heart or lung disease, diabetes) that get worse

## How can I protect my child from the flu?

A flu vaccine is the best way to protect against the flu. Because the flu virus changes year to year, annual vaccination against the flu is recommended. The CDC recommends that all children from the ages of 6 months up to their 19th birthday receive a flu vaccine every fall or winter (children receiving a vaccine for the first time require two doses). You also can protect your child by receiving a flu vaccine yourself.

## What can I do to prevent the spread of germs?

The main way that the flu spreads is in respiratory droplets from coughing and sneezing. This can happen when droplets from a cough or sneeze of an infected person are propelled through the air and infect someone nearby. Though much less frequent, the flu may also spread through indirect contact with contaminated hands and articles soiled with nose and throat secretions. To prevent the spread of germs:

- Wash hands often with soap and water.
- Cover mouth/nose during coughs and sneezes. If you don't have a tissue, cough or sneeze into your upper sleeve, not your hands.
- Limit contact with people who show signs of illness.
- Keep hands away from the face. Germs are often spread when a person touches something that is contaminated with germs and then touches his or her eyes, nose, or mouth.

## When should my child stay home from child care?

A person may be contagious and able to spread the virus from 1 day before showing symptoms to up to 5 days after getting sick. The time frame could be longer in children and in people who don't fight disease well (people with weakened immune systems). When sick, your child should stay at home to rest and to avoid giving the flu to other children and should not return to child care or other group setting until his or her temperature has been normal and has been sign and symptom free for a period of 24 hours.
